Advanced Placement Options

Accelerated Math 7: Entire Year of Math 7 Common Core Curriculum

+

1st Semester of Math 8 Common Core Curriculum

A screening process is in place and used as an entry tool into this accelerated math course. The screening process occurs at the end of the 6th grade year. A series of data points to include the previous standardized math scores, a 6th grade math end of course exam, and 6th grade teacher recommendation work together to generate a singular score. If the score is above the assigned cut score, students may participate in this Accelerated Mathematics 7 class.

Academic Success

- Academic Success is a designated time to teach students necessary skills to be a successful student.
- 2 sessions per week, 40 minutes per session

Academic Success Topics

- Organization
- Time Management
- Test-taking Strategies
- Effective Study Strategies
- Mindfulness
- Digital Citizenship
- Habits of Successful Teenagers
- Goal-Setting

Enrichment Program

- We are committed to providing our students as many opportunities as possible to explore different activities while students at Pau-Wa-Lu.
- Our Enrichment Program will provide our students with an opportunity to participate in a variety of projects or activities.
- Enrichment is taught by our teachers, and will be held on Block Days for 40 minutes per session.
- Enrichment sessions will alternate with Academic Success sessions so that the students will have the opportunity to gain access to these opportunities throughout the entire school year.

Infinite Campus Parent Portal

Parents are asked to create a Parent Portal account through Infinite Campus.

Through this portal parents can:

- **Have real time updates on grades and turned in or missing assignments**
- **Update contact/address information**
- **Contact teachers**
- **View and accept academic plans for their students.**

If you don't have an account, please create one now. We have some staff members here who can assist you with that process!
